Gentlemen:

Attached is a copy of the letter which we sent to Mr. Eric Brinkerhoff; Mayor of Glendale, Utah. This letter is in regard to a water problem we have with them. Also attached is a copy of the agreement between the City of Glendale and our selves. They have not lived up to this agreement. The well that they drilled is not in use, and is free flowing into the creek.

As you can see, we have asked those people representing the City of Glendale, Utah to resolve this problem. We would appreciate any help that you could give us regarding this matter. Thank you.

Sincerely,

H. Barth Palmer
